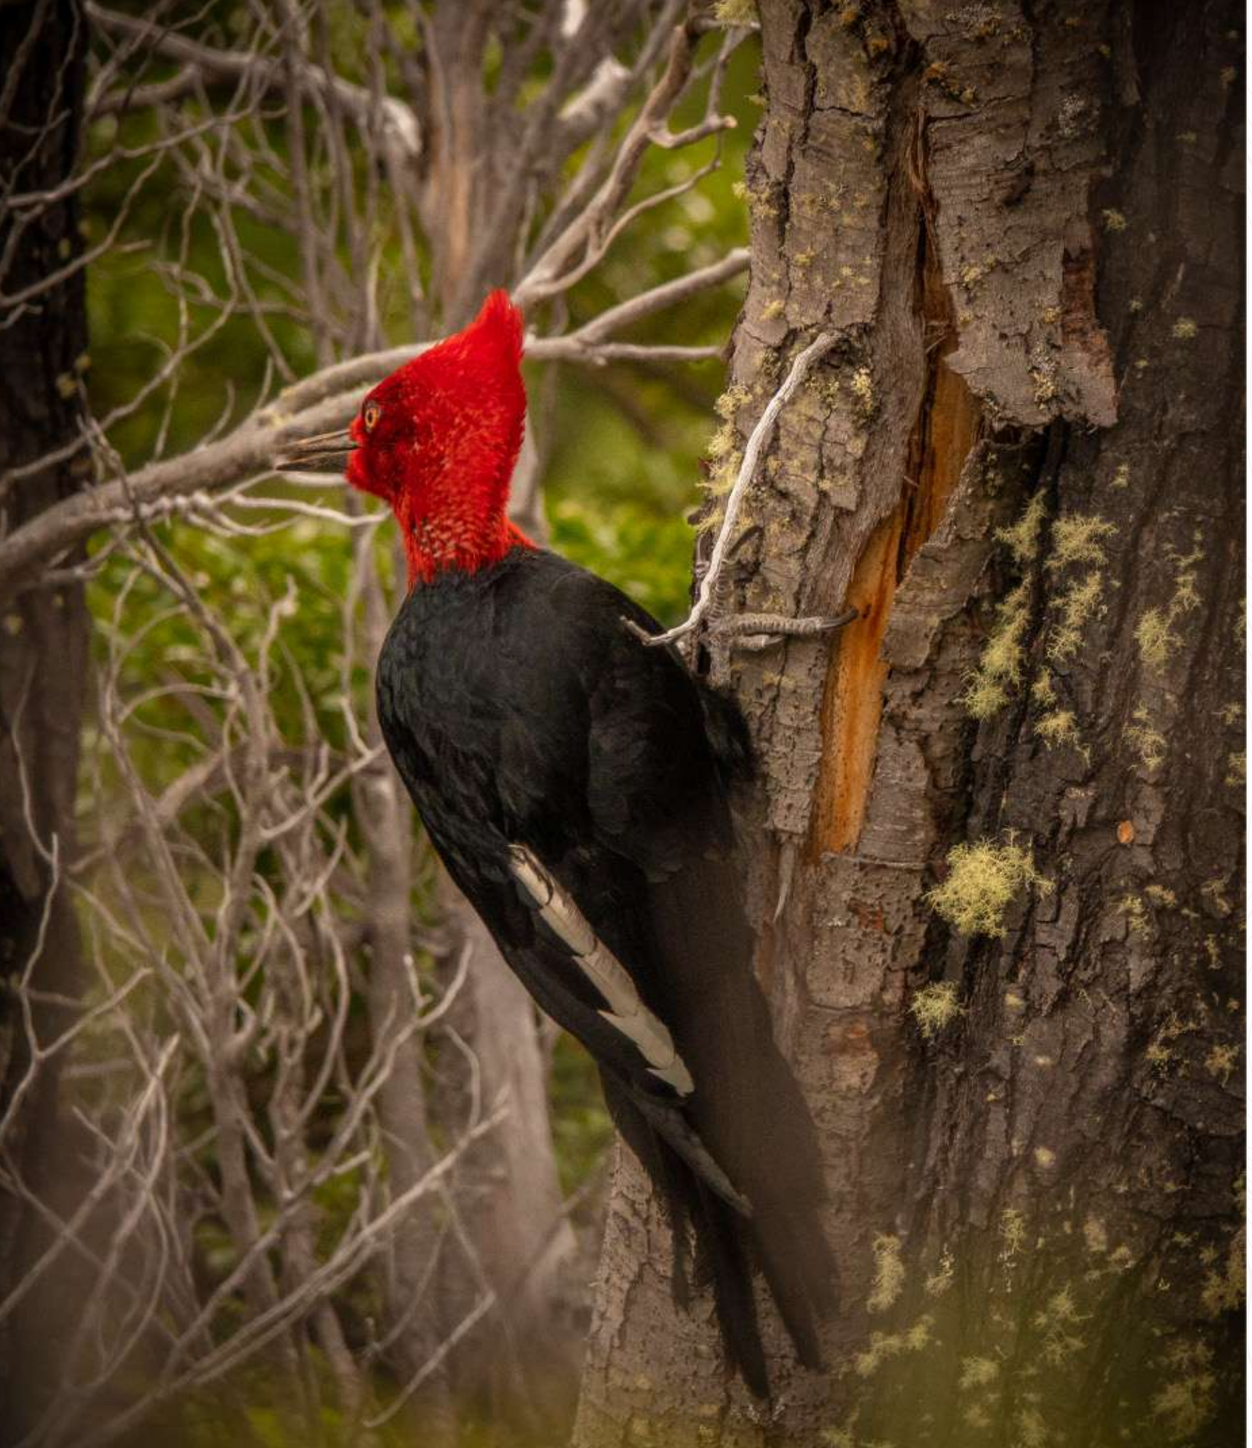
PATAGONIA CAMP

SELF GUIDED EXCURSIONS CATALOG 2025-2026 SEASON



This is an invitation to live and

Feel Patagonia

Living a Unique Nature Experience is not an exclusive privilege for guided tours within Torres del Paine National Park.

Here, without leaving our hotel, you can immerse yourself in our self-guided trails, designed for you to discover the natural beauty of our land on your own.

Our network of trails has two sections, created to highlight the contrast of Patagonia's wild landscape and offer a sense of freedom.

Are you ready to discover this place?

Northwest Section

The essence of Patagonia awaits you. Explore a lush forest rich in history, with stunning views that remind you of the vastness of this wild land.

The Northwest Section offers trails that cater to different levels of difficulty, whether you're looking for a peaceful walk or a more challenging circuit.

Each step brings you closer to the heart of this place: dramatic views, old cattle trails, remnants of a telegraph line, and the delicate beauty of native orchids hidden in the foliage. And in the midst of it all, a special moment: the perfect view of our hotel, the place that inspires this adventure.

In this section, nature is not just a backdrop: it's history, challenge, and beauty.

Patagonia Camp beach

1. Patagonia Camp Beach

Picture a place where the landscape blends into a mix of colors, with the Sierra El Toro in the background. This viewpoint, right next to our yurts, is the starting point for our water activities, where guided kayaking and fishing on Lake Toro allow you to connect with nature. On the shore of the lake, you can see part of our hotel, framed by Coihues trees. Sit back and enjoy the light breeze as you explore this hidden beach, taking in the peaceful surroundings.

Difficulty: Low

Estimated time: 8 Min. (one way)

Distance: 0,3 Km. / 0,2 Mi.

Fishing spot

2. Fishing Spot

This quiet corner, surrounded by evergreen forest, offers the most complete view of our hotel, a unique place to capture the essence of our Yurts. Located in a wind-protected cove, it is the perfect refuge for those seeking to relax and fish , in the heart of our territory, while immersing themselves in a contemplative and serene calm.

Difficulty: Low

Estimated time: 25 Min. (one way)

Distance: 1,4 Km. / 0,9 Mi.

Fishing spot

3. Trucha Bay

A hidden refuge among the calm waters of the bay, this fishing point offers unparalleled views of the Paine Massif, right next to the toro waterfall. As you descend the challenging stairs, you enter a space that breathes calm and pure nature close to the water, where every corner invites you to pause and enjoy a deep connection with the Toro lake.

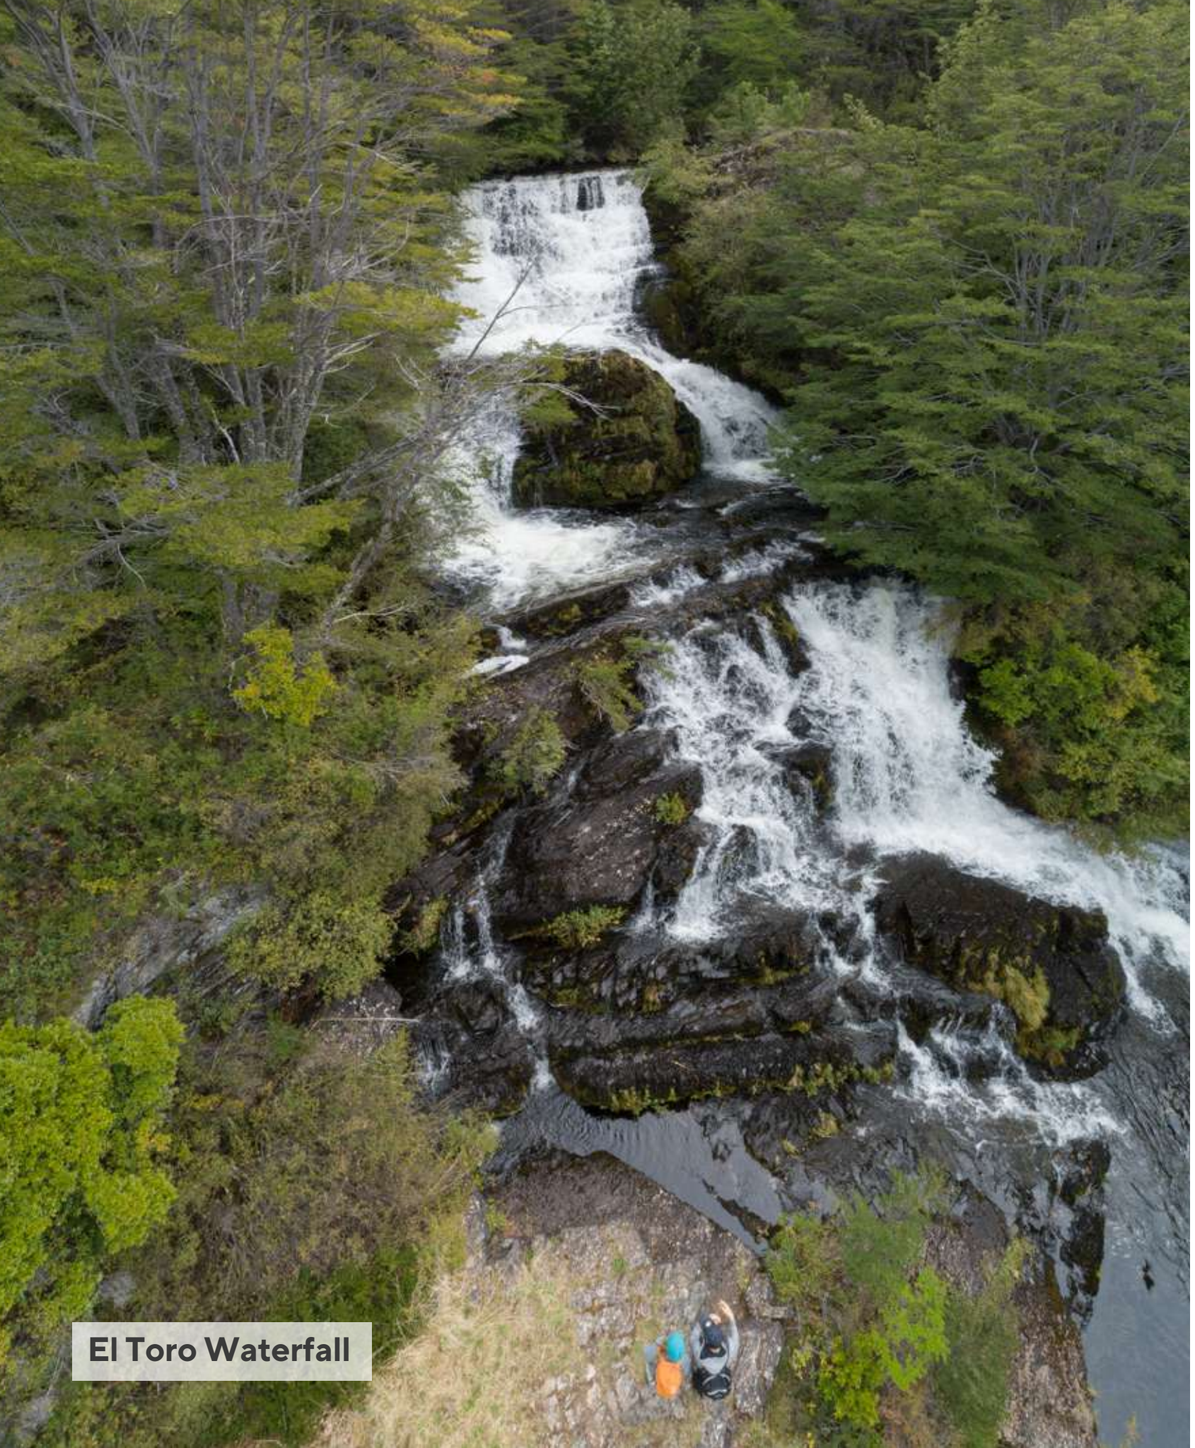
- Difficulty: Medium High
- Estimated time: 45 Min. (one way)
- Distance: 2,3 Km. / 1,4 Mi.
- Fishing spot

4. Las Almas Lagoon

This viewpoint offers a spectacular view of Paine Massif, while immersing you in this unique place. Laguna Almas, a tributary of the imposing Lake Toro, flows into it through a river that moves serenely. This corner, ideal for fishing, invites reflection and calm, wrapped in an atmosphere that inspires a deep connection with our surroundings. Along the trail, you'll pass through a magnificent lenga forest (the only self-guided trail that contains such an expansive one) before reaching the lookout. On the way back to the hotel you can connect with the vehicular road that leads back to the hotel, which can be used for both the way in and the return journey. For the more adventurous, there's a longer challenging route that leads towards the Toro Waterfall and then back to the hotel, a medium-to-high difficulty path.

- Difficulty: Medium high
- Estimated time: 45 Min. (one way)
- Distance: 2,5 Km./ 1,6 Mi.
- Fishing spot

Las Almas Lagoon



El Toro Waterfall

5.El Toro Waterfall

After passing a specific mirror and chain, you'll walk through a beautiful subantarctic forest, where the sound of falling water will surround you, with the Toro Waterfall in front of your eyes, offering a moment of calm. The river flowing from the waterfall leads you to this peaceful spot, perfect for reconnecting with yourself. Along the way, you'll have views of Lake Toro, and you can continue past the waterfall along the challenging trail that connects to Laguna Las Almas, a medium-to-high difficulty path.

Difficulty: Medium

Estimated time: 45 Min. (one way)

Distance: 2,5 Km. / 1,6 Mi.

Southeast Section

Endless views and the quiet of nature. If you prefer wide horizons and mountains that stretch across the sky or easy short walks but with a deep nature connection, the Southeast Section is your path. Here, every step takes you through a mixed forest, with panoramic viewpoints offering views of the surrounding landscape, including the iconic Cerro Tenerife to the south.

This section connects you to the forest but also with higher grounds, providing a unique perspective of the area. From different lagoons rich in natural history to expansive scenery.

6. Cipress Lookout - *Forest Theraphy Trail*

Just steps from the hotel, this easy trail is an invitation to disconnect and let yourself be embraced by a forest of cypress and coigüe trees, as special as it is rare. Walk slowly, feel the cool humidity of the environment, and let yourself be enveloped by the warmth of this hidden corner.

At the viewpoint, a meditation structure and a small dock over Laguna Aluén await to give you an intimate moment. With a cooler, a blanket, a notebook and a pen, the invitation is clear: feel free to share your expe-rience. Around you, lichens, moss, and peat bogs remind you of the richness that sustains this land. And if you stay in silence, you'll have the chance to hear the birds and the wind in a completely different way.

○ ○ ○ ○ Difficulty: Low

Estimated time: 10 Min. (one way)

Distance: 0,5 Km. / 0,3 Mi.

7. La Puntilla Lookout - *Dos Lagunas Trail*

A trail that takes you to the hidden spot of Laguna Bonita through some interesting types of forest, offering a view you'll remember forever. With the imposing Cerro Tenerife in the background and a small island in the distance, this place is a visual treasure.
Here, fishing is just one reason to immerse yourself in the vastness of the mountains' reflection on the lake. At this viewpoint, you can sit by the shore of the lagoon and simply enjoy its beauty.

● ○ ○ ○ Difficulty: Medium low

Estimated time: 20 Min. (one way)

El Toro Lookout

8. El Toro Lookout

If what you seek is to feel Patagonia without filters, this is the place. On the shore of Lake Toro, you will find yourself in a raw and exposed landscape. Here, the wind may roar, or the lake may transform into a turquoise mirror. From this point, the Paine Massif feels closer, more powerful. Touch the freezing water and feel Patagonia. This viewpoint is a tribute to the untamed, a witness to the power and pure beauty.

● ○ ○ ○ Difficulty: Medium low

Estimated time: 30 Min (one way)

Distance: 1,6 Km. / 1 Mi.

9. Laguna Bonita Lookout

This natural refuge is a space of absolute calm, where the vegetation opens to reveal the serene beauty of Laguna Bonita. From here, you can observe one of the mountains that embraces the hotel, the imposing Cerro Tenerife. The murmuring river that connects the lagoon with Lake Toro accompanies the scene, while birds flutter among the reeds. Additionally, this corner bears witness to our guided kayak excursions, one of the most exciting ways to explore these waters. Here, life flows and invites you to observe, listen, and feel the very essence of this place.

● ● ● ○ Difficulty: Medium high

Estimated time: 12 Min. (one way)

Distance: 1 Km. / 0,6 Mi.

Fishing spot

Los Azules Lookout

10. Los Azules Lookout

The highest lookout in our territory of self guided trails. In Los Azules, the 360° view leaves you speechless: Chacabuco Mountain Range, Baguales Mountains, Cerro Castillo, and, of course, the Paine Complex. The wind shakes you, and you feel part of the sky. On a clear day, the deep blues of the sky, the lake, the mountains, and their glaciers create a perfect contrast that seems unreal.

● ● ● ○ Difficulty: Medium high

Estimated time: 1hr. and 15 Min. (one way)

Distance: 3,3 Km. / 2 Mi.
